MORO & SPREAFICO
FABBRICA FERRAMENTA

Da oltre 50 anni, la nostra Società produce articoli per ferramenta e minuterie metalliche per il settore dell'edilizia industriale e residenziale. Nel mercato nazionale, Moro & Spreafico ha mantenuto nel tempo la propria struttura artigianale per garantire, alla propria clientela, una produzione di qualità sia per la scelta dei materiali impiegati, sia per i trattamenti che la cura delle finiture. I prodotti della nostra Società sono esclusivamente "made in Italy", garantiti e realizzati per durare nel tempo.

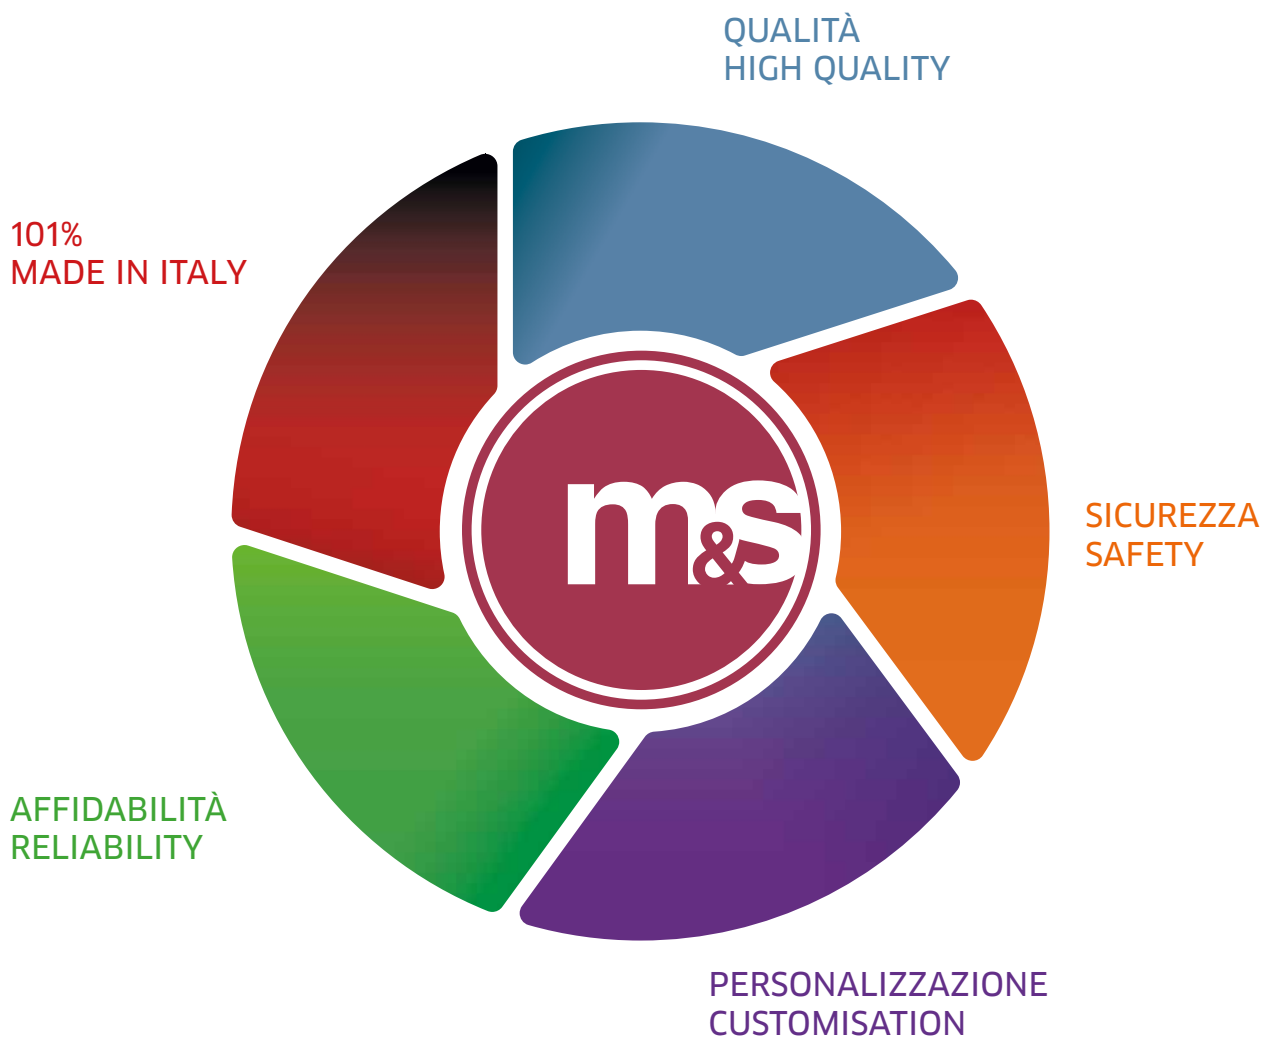

Moro & Spreafico si pone oggi anche sui mercati internazionali come partner affidabile con cui collaborare per ottenere prodotti di alta qualità, in tempi ragionevoli e a prezzi sicuramente competitivi.

Moro & Spreafico has produced metal fittings for ironmongery and small components and parts for the building and construction industry for over 50 years.

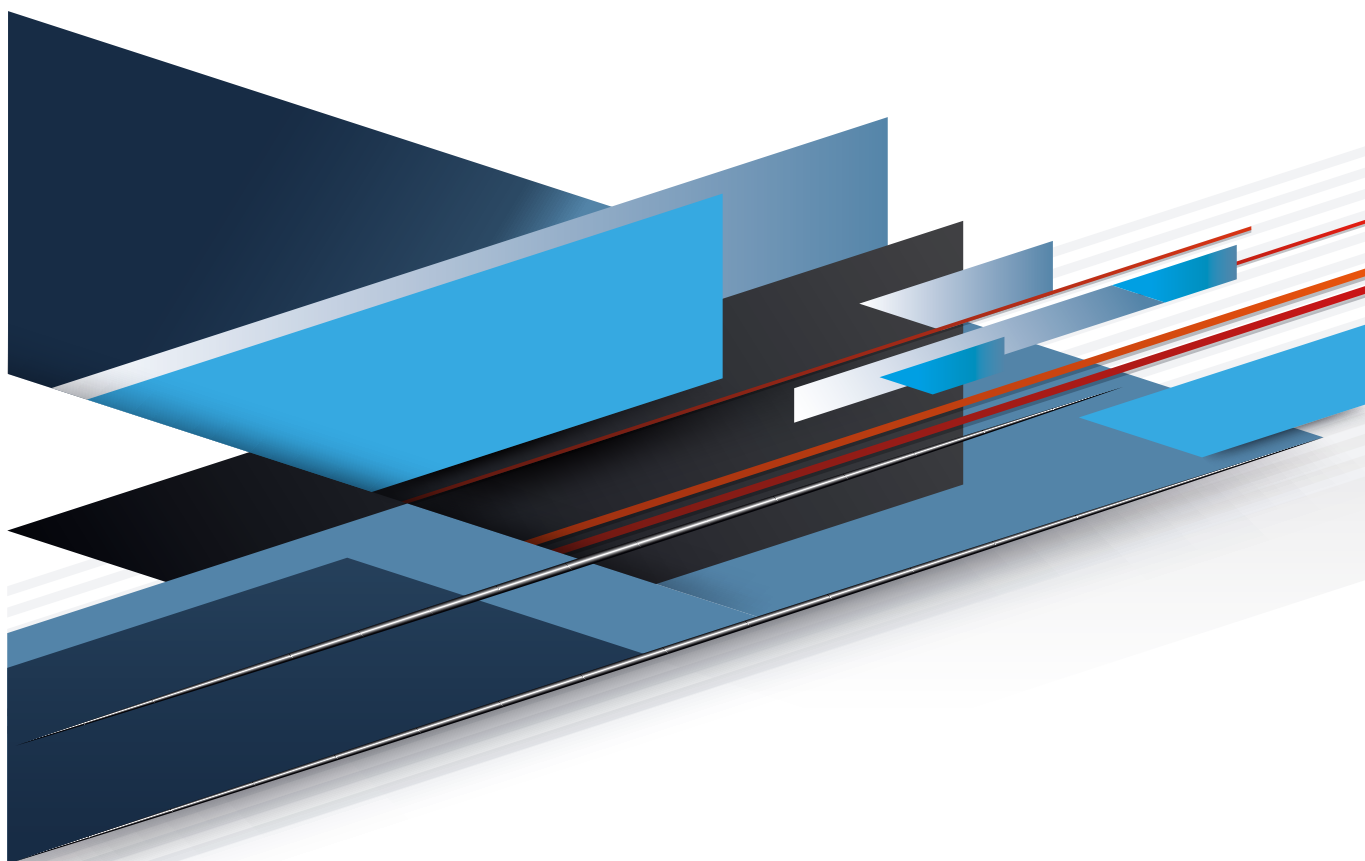

In the domestic market, Moro & Spreafico hasn't changed its artisan structure and has always been focused on providing its customers with top-quality products as far as the choice of materials and finishing treatments are concerned. Our products are 100% "made in Italy", guaranteed and designed to last longer.

Moro & Spreafico is now on the international scene as a loyal and reliable business partner for top-quality products, providing its customers with short delivery time and competitive prices.
